Re: Gimbel v. American Express et al
SDNY 24 CV 8371

Dear Judge Tarnofsky:

I am writing as the attorney for the plaintiff to make this request to extend my time to respond to the Motion just received within the hour from the defendant seeking to compel arbitration.

As your Honor no doubt remembers, at our telephone conference held earlier today I advised the Court and counsel that I would be on vacation starting later tonight until June 24, 2025.

Counsel made no mention that she intended to make her motion later today and had she done so I would have asked the Court to extend my time to respond to the motion until one week after I return which would be July 1, 2025.

I attempted to reach counsel to ask for her consent but there was no answer at her end.

This is the first request for an extension of time to answer this motion.

Very truly yours,

JONATHAN SILVER ESQ.
